Types of Digital Student Data (DSD) Systems

Digital Repositories
Student learners submit full academic record via a secure platform

Blockchain
Verification portals or websites or digital wallet to secure data

Verification Systems
Some national services allow limited electronic verification

Programs
Proprietary programs that verify codes embedded in the acdemic records

Introduction to Digitary!

Thank you, Simone!

UNIVERSITY
OF WOLLONGONG
AUSTRALIA

Dear info@transcriptresearch.com,

The University of Wollongong (UOW) has issued a secure digital **AHEGS** to ⬛⬛⬛⬛⬛, who has shared it with you online via the My eQuals portal.

Documents issued via My eQuals are legally valid and digitally signed to ensure authenticity. Students are not able to alter or adjust these documents.

This document can be viewed and verified online, via the "view document" link below.

Document Details:

Document Issuer: University of Wollongong

Document Type: AHEGS

Document Display Name: UOW AHEGS - BEnvSc

View Document

If you have issues logging in, the My eQuals Help Page has information that may assist.

If there is an issue with the content of your document, contact UOW Student Service.

General information about UOW's use of My eQuals technology can be found here.

My eQuals online verification portal

You have arrived at this page because a My eQuals user has shared their digitally certified records with you.

My eQuals technology helps hundreds of thousands of individuals to share their digitally certified records online with employers, education providers, governments, and other third parties.

This share is restricted

Please provide details as requested in the form below to access the shared document.

University or college name

🏛 King's College London

Online degree data verification available via Hedd

This university is an exclusive partner of Hedd and degree verifications can only be obtained directly through registering on the Hedd website.

Notes

Please Note - If you require dates of attendance, the candidate's consent form must explicitly state that they are consenting to their dates of attendance being release. **Please be advised that some requests may take longer than 5 working days to process, particularly for records dating back to 2003 or before, or where additional information is required.**

Since 2007, it has been an independent institution in its own right, conferring its own degrees, although its certificates still state that it is a constituent college of the University of London. Students who graduated before 1st August 2008 need to contact the Diploma Production Office at the University of London for replacement certificates (diploma.enquiries@london.ac.uk). * The current charges for a replacement certificate is GBP50.

If the candidate was known under a different surname whilst studying at King's College, please provide this rather than their present name.

Please enter the full title of the qualification type when completing the enquiry, e.g. 'Master of Science' instead of 'MSc'.

Please enter the full classification type when completing the enquiry, e.g. 'Pass with Merit' instead of 'Merit',

You need to upload a consent form PDF signed by the candidate

We refer to your request for Official Transcript recently.

We are pleased to inform you that NUS is now issuing electronic (e-) transcripts to our students through the secured OpenCerts platform based on blockchain technology, as part of the government's Smart Nation initiative.

These e-documents will facilitate mobility as graduates may share them with potential employers, universities or other parties, who may access and validate them at their own time and convenience.

Please find the attached, an e-copy of your transcript (.opencert file). Below is some information on how to use the e-documents:

How do I view the document?	**Can I save a copy?**	**How do I share the document?**
Drag and drop the attached *OpenCerts file* into the Viewer on the OpenCerts website.	Yes, you may download the attached *OpenCerts file* to your computer.	Email the *OpenCerts file* and the OpenCerts website link to your intended recipient. Inform the recipient to drop *the OpenCerts file* into the viewer at the OpenCerts website to view the document.

For more information, you may like to visit our website here.
